

## Restoring Cellular Communication Pathways

Dr. Robert Cass, Canadian Naturopathic Physician, has been a very successful EAV/EDS practitioner for almost 40 years. Dr. Cass is also the formulator of the highly regarded and well established, Physica Energetics' product line. Physica Energetics is a Canadian based professional, natural remedy company providing licensed healing arts' practitioners with pure, effective and sustainable, hand crafted, Spagyric botanical and homeopathic tinctures and matrix nutritionals.

As the founder of the Academy of International BioEnergetic Sciences he and his multi discipline team have trained thousands of practitioners throughout Canada, United States, Europe, Great Britain, Mexico, Chile and Ecuador.

Dr. Cass is travelling extensively throughout the UK, Europe, Canada and the United States this year teaching one day, 3 day and week long BioEnergetic Medical courses. He has graciously accepted our invitation to offer a one day seminar for healing arts' practitioners throughout Michigan and accompanying areas.

Please review the attached syllabus and make your reservation today for this rare and unprecedented opportunity to study with an internationally acclaimed practitioner, researcher and instructor of bioenergetic medicine. Limited seating. Must register before March 11th
